### Juniors and Seniors: Discover Your Authentic Leadership Voice!

*From personal reflection to powerful impact: Define your unique style, develop your leadership potential, and share stories that matter!*

### Leadership Lab Is Ideal for

Established or emerging leaders in 11th and 12th grade ready to…

- ❖ Deepen their leadership impact
- ❖ Build or refine their activity lists
- ❖ Prepare authentic stories for personal statements, supplemental essays, scholarship essays, or applications to honors college that showcase their growth and contributions

### Your Leadership Journey

The Leadership Lab helps rising high school juniors and seniors understand their authentic leadership style, develop their capabilities, and share compelling stories of their journey and impact. Through guided reflection and personalized coaching, you'll explore your values and strengths, enhance your leadership skills, and learn to articulate your experiences to help you reach high school, college, and/or employment opportunities.

You'll learn how authentic leadership isn't about fitting a predetermined mold but instead about discovering your own unique voice while uplifting others, building communities to create positive change.

### Service Overview

The Leadership Lab provides personalized guidance through

- Self-reflection activities through our Leadership Lab Workbook
- Two focused live coaching sessions online with Tami Polge, experienced Leadership Consultant
- Analysis of your leadership style and strengths
